BUSH SYNC: Major combat operations in
Iraq have ended. (applause)

ANNCR: Four years later, there’s no end
in sight.

ANNCR: And George Bush still won’t face
reality.

ANNCR: Now Congress has voted to start
bringing our troops home.

But the president says he’ll veto the bill..

ANNCR: He was wrong then. And he’s
wrong now.

ANNCR: It’s the will of one nation...versus
the stubbornness of one man.

ANNCR: Tell George Bush: Sign the bill.
Bring our troops home.
